

FLAGSHIP ADVENTURES

CORPORATE EVENTS

VIP HOSPITALITY & EVENT OPTIMIZATION

There is simply no better way to entertain and impress your clients, or to reward and motivate your employees, than enjoying an exhilarating day of fun and excitement on one of our rigid inflatable boats (RIBs). With our fleet of high performance RIBs, we offer a variety of unique options and itineraries, or we can develop a custom event just for you. Either way, we are committed to ensuring that your RIB experience exceeds your expectations.

BRANDING

Looking to make a positive and professional impression? Personalize the RIBs with customized flags, including your corporate logo. Our RIBs always attract attention, so why not benefit from that while you are our guest for the day. We also offer a wide range of personalized gear that can be customized for your team or guests.

CATERING

Offshore and on-land catering is available to satisfy any palette and budget. We offer a full menu of catered options from box lunches to a champagne reception and dinner.

AWARDS

Reward your team or guests with a range of awards and prizes. Engraving and customization are available.

PHOTOGRAPHY

Memorialize your RIB adventure for yourself, your team or your family. We can offer the services of professional photographers to capture action and candid shots of your event.

Please ask your Flagship Representative for additional details on our full range of offerings.
