

FLAGSHIP ADVENTURES

ABOUT Us

Flagship Adventures, LLC provides premium, specialized water-based events and charters for both corporate and private clients. With locations at Pickering Wharf in Salem and The Seaport World Trade Center in Boston, Flagship Adventures operates North America's largest commercial fleet of rigid inflatable boats (RIBS). Capable of stunning speeds and yet stable in all sea states, these RIBS provide a thrilling and entertaining platform for a variety of corporate and private events. They also are the support vessel of first choice for regattas and yachting events worldwide.

With a passion for boating and a commitment to providing unrivaled water-based adventures, Flagship's brand stands for professionalism, quality, safety, value, exhilaration and FUN!
